#### **ACHIEVEMENT HOUSE CS**

102 Pickering Way

CSI School Plan | 2022 - 2023

\_\_\_\_\_

### **MISSION STATEMENT**

Achievement House Cyber Charter School students will experience an improved individual outcome, measured by academic achievement, in a personalized and rich learning environment that prepares them for success in a technology-driven world.

### **VISION STATEMENT**

An Achievement House Cyber Charter School student is Valued as an Individual, Inspired to Innovate, and Prepared for the Future.

#### **EDUCATIONAL VALUE STATEMENTS**

#### **STUDENTS**

We believe that individual student growth is the highest priority. We believe each student is an individual to be treated with dignity and respect. We believe all individuals can be a successful learner. We believe that high moral, ethical, and academic standards encourage high achievement.

#### **STAFF**

We believe that our school community must be emotionally and intellectually safe and a positive environment in which to learn and lead. We believe that all individuals have unique gifts, talents, and intrinsic worth.

#### **ADMINISTRATION**

We believe that excellence is a journey and demands conscientious effort. We believe that all individuals have unique gifts, talents, and intrinsic worth.

#### **PARENTS**

We believe that all students and their families have a personal responsibility to take full advantage of the opportunities provided by Achievement House Charter School. We believe that active communication and participation between families and Achievement House Charter School is essential at all times in order to ensure the success of each student's individual goals. We believe that active parent and community involvement can serve as a catalyst for student achievement.

### **COMMUNITY**

We believe the responsibility for life-long education is shared by the student, school, family, and community.

#### **ESTABLISHED PRIORITIES**

#### Priority Statement

IF we use an evidence-based, systematic and collaborative planning process across all subjects THEN our students will demonstrate an increase in academic achievement BECAUSE our instruction will be aligned to the needs and interests of our students needs to improve staff practices and student learning outcomes.

**Outcome Category** 

Essential Practices 3: Provide Student-Centered Support Systems

Essential Practices 1: Focus on Continuous Improvement of Instruction

If we promote and sustain a positive school climate environment THEN students will have meaningful academic, social, and emotional outcomes BECAUSE they will feel valued, supported and safe.

School climate and

culture

Regular Attendance

#### **APPROVALS & SIGNATURES**

#### **Assurance of Quality and Accountability**

#### **Assurance of Quality and Accountability**

The Building Administrator, Superintendent/Chief Executive Officer and President of the School Board will affirm the following statements.

We affirm that our school has developed a School Improvement Plan based upon a thorough review of the essential practices to advance educational programs and processes and improve student achievement.

We affirm that the action plans that we will be implementing address our specific school needs, include strategies that provide educational opportunities and instructional strategies for all students and each of the student groups, increases the amount and quality of learning time, and provides equity in the curriculum which may include programs, activities, and courses necessary to provide a well-rounded education. These plans address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

We, the undersigned, hereby certify that the school level plan has been duly reviewed by the Building Administrator, Superintendent of Schools and formally approved by the district's Board of Education, per guidelines required by the Pennsylvania Department of Education.

We hereby affirm and assure that this plan:

- Addresses all the **required components** prescribed by the Pennsylvania Department of Education
- Meets **ESSA requirements**
- Includes at least one evidence-based strategy that meets one of the three highest levels of evidence outlined in ESSA
- Has a high probability of improving student outcomes
- Has sufficient **LEA leadership and support to ensure successful implementation**

With this Assurance of Quality & Accountability, we request the Pennsylvania Department of Education grant formal approval to implement this plan.

### ADDENDUM A: BACKGROUND INFORMATION TO INFORM PLAN

#### **Strengths**

English Language Arts/Literature All Student Group Meets the Standard Demonstrating Growth

Identify and address individual student needs

Implement evidence-based strategies to engage families to support learning

Coordinate fiscal resources from local, state, and federal programs to achieve the district's goals and priorities

ELA Growth is 76.0 met statewide growth of 70 (State average 75)

Math Growth was lower than the state average (70)

Growth in Biology for students with disabilities was 74 which was lower than the state average (75.1%)

AHCCS offers career readiness opportunities for students in specific career courses in each grade level and across subjects in all subject areas.

Four year cohort graduation rate is showing growth and is a focus

#### **Challenges**

English Language Arts/Literature All Student Group Did Not Meet Interim Goal/Improvement Target

Mathematics/Algebra All Student Group Did Not Meet Interim Goal/Improvement Target

Regular Attendance All Student Group Did Not Meet Performance Standard

Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically

Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based

ELA Achievement for the 2020-21 school year was 43.2% - this is below the statewide average of 55%.

Math Achievement was 22.6% (Statewide average was 37.3%)

Biology Achievement for the 2020-21 school year was 32.4% (Statewide average was 63.7%).

#### **Strengths**

of our SSIP (State systemic improvement plan with PaTTAN)

We have a statewide Title I program

We have a full-time dedicated EL Teacher and EL Mentor assigned to our EL students.

Students with disabilities showed an increase in performance (54%) from the previous year in ELA progress measures.

Economically disadvantaged students had a increase in performance in Science measures from previous year. (up 68%)

Students with disabilities showed an increase in performance which met or exceeded interim targets from the previous year in Science progress measures. (up 74%)

Implement evidence-based strategies to engage families to support learning

#### Challenges

9.8% behind the statewide average in percentage of career standards benchmark. Should increase in year 2 with full implementation and opportunities within courses to complete.

Four-year cohort graduation rate for students identifying as Hispanic is 36%. (up from last year at 29%)

Chapter 339 (Career ready evidence) - We do collect and report evidence.

Economically disadvantaged students had a decrease in performance in ELA measures from previous year.

Economically disadvantaged students had a decrease in performance in Math measures from previous year.

Graduation rate for (students considered economically disadvantaged) is lower than All (46.9%)

Graduation rate (Black) is lower than All (36%)

Graduation rate (Hispanic) is lower than All (44.4%)

Foster a vision and culture of high expectations for success for all students, educators, and families

Promote and sustain a positive school environment where all

#### Challenges

members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically

Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based

#### **Most Notable Observations/Patterns**

Re-engaging the students who have become disengaged by promoting and sustaining a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually, and physically. Using data to inform our practices in a systematic and collaborative way that includes coordinating and aligning our instruction. Continuing the work that has happened the past year with MTSS, SAP, and PBIS in order to respond quickly and appropriately to student needs and re-engage students who become disengaged. Using collaborative planning time to create lessons and assessments that responds to student needs and is universally designed.

| Challenges   | Discussion Point   | Priority for Planning |
|--|--|-----------------------|
| Foster a vision and culture of high expectations for success for all students, educators, and families             | We have not had training and protocols in place for staff to consistently lead and follow in ensuring instruction is coordinated, aligned, and evidence-based. |                       |
| Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based | We don't have protocols in place to reflect on and monitor the progress of professional learning to meet our specific needs.                                   |                       |
